YOUTH COMMISSION

The Power of Leadership!

Leadership n. 1. the position or function of a leader, a person who guides or directs a group. Synonyms: administration, management, directorship, control, governorship, stewardship, hegemony. 2. ability to lead. Synonyms: authoritativeness, influence, command, effectiveness; sway, clout.

Members of the Youth Commission have the important duty of providing City Council, the Parks and Recreation Commission, and Recreation Program Staff with insight regarding youth and teen issues in the Santa Clara Community. This may include (but is not limited to) programs relating to safety, recreation, drug awareness, special interests, sports, community involvement, socialization, and environmental concerns.

Who We Are

The Santa Clara Youth Commission is a 15-member assembly consisting of Santa Clara residents, representing various middle and high schools. The Youth Commission's responsibility is to act in an advisory capacity to the City of Santa Clara City Council on matters pertaining to the youth and teen population, especially as related to municipal programs and projects of the City.

Activities We're Involved In

The Youth Commission has been an active part of the community since it's inception in 1995. They successfully recommended the development of the Skate Park and Teen Center, created the Youth Commission sponsored Community Service Scholarship for high school juniors and seniors, developed SC's Got Talent to showcase the talent within the community, and created "Paws for a Cause" Benefit Bingo Spaghetti Feed.

In addition, each year the Youth Commission volunteers at City-wide special events (e.g. Art and Wine Festival, City Halloween Party, Tree Lighting Ceremony, and Easter Egg Hunt) as well as hosts their own projects/activities (e.g. Teen Center events, Neighborhood Clean-up and the "YAC Attack" Youth Commission Conference).

GYMNASTICS

Gymnastics classes are held at the Gymnastics Center in Earl Carmichael Park, 3445 Benton Street, located between Pomeroy Avenue and Lawrence Expressway.

The City of Santa Clara has contracted with the California Sports Center (CSC) to provide all the staffing and staff education for the gymnastics program. CSC has an established reputation with many years of experience in the youth sports field in Santa Clara County. CSC currently operates four facilities in San Jose, offering Nationally ranked competitive programs for both boys and girls. The partnership between the City of Santa Clara and CSC provides enhanced instruction, improved equipment, continuous education for coaches, various levels of instruction at convenient times, and gender specific classes that follow current training practices within the sport. Sessions run "back-to-back" to provide continuity in training. For more information about CSC, call (408) 615-3199. General information can be found at www.calsportscenter.com, or talk to the coaches before or after class. For registration information, call the Community Recreation Center at (408) 615-3140.

We ask family and friends to remain outside the gym during class time to avoid distracting our students, except for the following:

- Parent-Tot classes require one parent to participate during class.
- At least one parent is required to remain present in any class where only one staff member is coaching.
- Parents of new students may stay during the first class of each session.
- When a coach allows or invites a parent to stay. All are invited to observe the last class of each session.
- Non-participating siblings must be held at all times during observation. Thank you for your cooperation.

Levels of Instruction

Parent-Tot – Basic movement classes structured around gymnastics activities for young children that are not quite ready to go it alone. Parents are required to participate and should be dressed appropriately for activity. No other children are allowed in the facility during class.

Tiny Tots – An introduction to all the gymnastics apparatus will be utilized, with an emphasis on creative movement activities and organized circuit play. Instructors will lead a warm up, then rotate groups around events or circuits so that students may learn their movements and positions.

Tumble Tots – This class is similar to Tiny Tots, only with a higher expectation of the older age group. Students will be reviewed for possible movement into an upcoming team development program.

Pre-Rec – This class, is the equivalent of the Level 1 class. We will introduce specific skills and routines for this younger group, to prepare them for higher levels sooner in their preparation. This is a focused class that may provide the opportunity for team development.

Boy's & Girl's, Level 1 (Beginner) – This class is designed for students that have never taken any type of gymnastics or are currently a Level 1 student.

Boy's & Girl's, Level 2-3 (Intermediate) – Students are required to pass the skills from their skill cards and routine evaluations of the previous level and provide a signed certificate showing proof of level before moving up to these classes.

Boy's, Girl's, & Coed, Level 4,5,6 (Advanced) – This class is designed for students who do not wish to do competitive gymnastics, but want to learn more difficult skills once they have passed the skills in Level 4.

Learn to Flip, All Levels – These classes are designed for students who only want to focus on tumbling and the trampoline. Instructor approval is required before moving to the advanced/intermediate level.

Warm ups are essential in gymnastics. Students arriving more than 10 minutes late to class may not be allowed to participate that day. Parents are not allowed to stay in the facility during class time unless otherwise noted in course description.

Information from... SANTA CLARA UNIFIED SCHOOL DISTRICT

Important Information from the City of Santa Clara Library

The best school supply for students is absolutely **free** - a City of Santa Clara Library card! Our library cards remain free to anyone living in North America upon providing a government issued photo ID such as a driver's license or passport.

Parents and guardians wanting to obtain library cards for their minor children need to accompany their children to the library to sign the application. The adult parent or guardian will need to present his or her own ID - separate ID is not required for the child.

The City of Santa Clara Library recently increased their lending limits to allow for 60 books to be checked out at one time per card. Library cards also allow free access to many electronic resources and databases available through their website: www.library.santaclaraca.gov

The City of Santa Clara Library has two locations:

- Central Park Library, 2635 Homestead Road, Santa Clara, CA (408) 615-2970
- Mission Library & Family Reading Center, 1098 Lexington Street, Santa Clara, CA (408) 615-2964

For questions about library cards or to schedule a class visit, please call the Youth Services Department at (408) 615-2916.
